

A woman with brown hair is shown from the chest up, looking upwards with a hopeful expression. Above her is a large, vibrant orange circle with a white border. Inside the circle, the text "YOU SEE THE BIG PICTURE" is written in white, bold, sans-serif capital letters. Below this text is a white horizontal arrow pointing to the right. Underneath the arrow, the words "GO FOR IT" are written in a larger, white, bold, sans-serif font. The background behind the woman and the circle is a white-to-orange gradient with a halftone dot pattern that fades out towards the top.

LOJIQ offers a range of Québec expertise in international mobility. Its education, engineering, and INTERNATIONAL PROJECT management experts are recognized in Québec and abroad for their valuable advice, coaching, project development support, and financial and logistical assistance. Their know-how, networks, and over 40 years of experience provide direct benefits to young adults.

LOJIQ offers a unique approach that includes international mobility project development, work sessions abroad, meetings with partners, knowledge acquisition, coaching, and follow-up upon return. Through their experience with LOJIQ, young adults gain INTERCULTURAL AWARENESS and new qualifications while developing a better understanding of international socioeconomic relations.

Today's young adults must be able to adapt to change and reflect on their values and prejudices. LOJIQ helps youth become better citizens able to take action and integrate within diverse and ever-changing social, cultural, and work environments. By developing cross-cultural understanding, students become engaged "CITIZEN TRAVELERS" who take global trends into account in their professional development.
